APPROVED FOR  
RELEASE DATE:

December 23, 2008

Reference: F-2009-00135

This is a final response to your 28 October 2008 Freedom of Information Act (FOIA) request, received in the office of the Information and Privacy Coordinator on 5 November 2008, for a copy of the 1,757 pages pertaining to UFOs that was released as a result of Director Woolsey's 14 December 1993 radio interview.

With regard to your request, as of this date, the Agency has released 2,779 pages of UFO-related documents. These documents are not indexed; and the FOIA does not require federal agencies to perform research, create records, answer questions, or conduct unreasonable searches through a body of material to see if any of it is related to a particular request. In response to requests for UFO-related documents, we provide a listing to requesters, who then have the option of purchasing the complete package for \$267.90 or requesting specific documents from the list. Enclosed is a listing of the documents.

Please advise if you are interested in purchasing the 2,779 previously released UFO pages or if you wish to order from the enclosed listing. If so, please mark the desired documents and return the printout to us. We will forward whatever documents you wish at a cost of ten cents per page less the first 100 pages to which you are entitled free as a requester in the "all other" fee category. Please do not send payment in advance because page counts are not always accurate. We will bill you when we mail you the documents.

Sincerely,

A handwritten signature in cursive script that reads "Delores M. Nelson".
